

source/process.hpp

```
graph TD; A[source/process.hpp] --> B[string]; A --> C[vector];
```

A diagram illustrating a file dependency. At the top is a dark gray rectangular box containing the text 'source/process.hpp'. Two blue arrows originate from the bottom center of this box and point downwards to two separate light gray rectangular boxes. The left box contains the text 'string' and the right box contains the text 'vector'. This indicates that the file 'source/process.hpp' includes or depends on the 'string' and 'vector' headers.

string

vector
